

LIST OF IMMEDIATE OBSERVATIONS

Why are her eyes so blurry? Is she blind?

Discoloration throughout

Chunks missing

Are the brown spots dirt or are they just faded?

Kind of yellow

Does the fading add to the piece as a whole?

The pupils are uneven

She has heavy bags on her eyelids

Her bottom lip is quite bright

It's hard to see the highlights and shadows at points

Eyebrows are very thin

She seems to be very beautiful

Has the veil always been this short? Did it use to be lower?

Her sclera is very yellow; has it always been this way?

How long ago did this sculpture crack?
